

Chapter 5 – “A Day with Plants”

Ques1. Match the following: - (3 Marks)

- |                  |                      |
|------------------|----------------------|
| a) Hyacinth      | Climber              |
| b) Morning Glory | Creeper              |
| c) Cactus        | Shrubs               |
| d) Musk Melon    | Deserts              |
| e) Broccoli      | Aquatic plant        |
| f) Bougainvillea | New variety of plant |

Ques2. Fill in the blanks: - (3 Marks)

- \_\_\_\_\_ is used for making Clothes.
- Bark is the outer thick layer of a \_\_\_\_\_
- Plant like \_\_\_\_\_ and \_\_\_\_\_ grow in deserts.
- Aloevera and Neem are the examples of \_\_\_\_\_ plants.
- The stem of a tree is called its \_\_\_\_\_
- \_\_\_\_\_ is the new type of flower.

Ques3. Write **TRUE** for correct statement and **False** for the incorrect statement: - (3 Marks)

- Improvement in farming technology's one reason for the arrival of new fruits and vegetables in the market \_\_\_\_\_
- Some herbs have the same features as creepers \_\_\_\_\_
- Bamboo is used to make paper \_\_\_\_\_
- Aquatic plants are the plants that grow in deserts \_\_\_\_\_
- Moring glory is an example of a creeper \_\_\_\_\_
- Musk melon is an example of Climber \_\_\_\_\_

Ques4. Tick the correct option: -(2 Marks)

- The stem of a tree is called its \_\_\_\_\_
  - Trunk
  - Bark
  - Sepal
- Bushy plants with hard and woody stems are called \_\_\_\_\_
  - Climber
  - Shrubs
  - Herbs

c) \_\_\_\_\_ are the strongest and longest-living type of plants.

- i. Aquatic plants
- ii. Shrubs
- iii. trees

d) Which of the following are new flowers, fruits and vegetables?

- i. Tulip, raspberry, asparagus
- ii. Hibiscus, pineapple, egg plant
- iii. Jasmine, custurd apple, broccoli

Ques5. Answer the following : - (6 Marks)

1. Name the different kinds of plants.

Ans.

---

---

---

---

---

2. What do plants need in order to grow?

Ans.

---

---

---

---

---

3. Name the new varieties of plants available today.

Ans.

---

---

---

---

---

Ques6. How are plants useful to us? Provide 3 Uses. ( 3 Marks)

---

---

---

---

---

---

---

---

---

---

Ques 7. Label the different "Parts of a Plant". (5 marks)

Chapter 6- "SO MANY LEAVES"

**Ques1. Match the following: - (2.5 Marks)**

- |                |                          |
|----------------|--------------------------|
| g) Pigment     | a green coloured pigment |
| h) Apex        | lowermost part of a leaf |
| i) Chlorophyll | edge of leaf             |
| j) Margin      | a colouring substance    |
| k) Base        | uppermost part of a leaf |

**Ques2. Fill the Following Blanks: - (2.5 Marks)**

- g) Most of the plants shed their leaves at least \_\_\_\_\_ in a year.
- h) Leaf of 'Paan' is also known as \_\_\_\_\_.
- i) Yeast, fungi and mushrooms have no \_\_\_\_\_ due to which they cannot make their own food.
- j) Leaves of parsley, basil and \_\_\_\_\_ are used as herbs.
- k) \_\_\_\_\_ are substances that can be used to make the soil fertile for the growth of plants.

**Ques3. Write (TRUE) for correct statement and (FALSE) for incorrect statement: - (3 Marks)**

- a) All leaves are green in colour. \_\_\_\_\_
- b) Leaves are of different shapes and sizes. \_\_\_\_\_
- c) The margin of a leaf is always rough and sharp. \_\_\_\_\_
- d) Flowers are also called the 'Food factories' of plants. \_\_\_\_\_
- e) The flat and broad surface of a leaf is called lamina. \_\_\_\_\_
- f) Leaves help the plants in breathing. \_\_\_\_\_

**Ques4. Write a short note on the following: - (6 Marks)**

- e) Photosynthesis.  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
- f) Composting.  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
- g) Petiole.  
\_\_\_\_\_  
\_\_\_\_\_

**Ques5. Answer the following Questions: - (6 Marks)**

a) Why are leaves called the “Food factories “of plants?

Ans.

---

---

---

---

---

b) List any two ways in which leaves are useful for us?

Ans.

---

---

---

---

---

c) Why do plants shed their leaves?

Ans.

---

---

---

---

---

**Ques6. Draw and label the different parts of a leaf neatly. (5 Marks)**

Chapter 7 – “The Animal World”

**Ques1. Match the following: -(3 Marks)**

- |                         |                           |
|-------------------------|---------------------------|
| l) Nut eating Animal    | Sparrow and Pigeon        |
| m) Omnivores            | Cow and Horse             |
| n) Flesh Eating Animals | Grasshopper and earthworm |
| o) Grass eating Animals | Squirrel and parrot       |
| p) Grain eating Animals | Cranes and ducks          |
| q) Leaf eating Animals  | Tiger and Lion            |

**Ques2. Identify the Following: - (3 Marks)**

- l) Of all the animals that move on land, i am the fastest runner \_\_\_\_\_
- m) I am an animal that move from one place to another, i have no legs nor arms \_\_\_\_\_
- n) I am crawling animal with a long body, i live both in water and on land \_\_\_\_\_
- o) We are animals with feathered wings and hollow bodies \_\_\_\_\_
- p) We are very small animals with many legs and three chambered bodies. \_\_\_\_\_
- q) We are animals with unusual bodies. \_\_\_\_\_

**Ques3. Put a (True) for correct statement and (False) for incorrect statement :-(3 Marks)**

- g) Snakes and earthworms have no legs. \_\_\_\_\_
- h) Toads and turtle live is water only. \_\_\_\_\_
- i) Fins help fish to swim in water. \_\_\_\_\_
- j) Elephant is a domestic animal. \_\_\_\_\_
- k) Rabbits live in hole. \_\_\_\_\_
- l) Cow and deer are Carnivorous animals. \_\_\_\_\_

**Ques4. Name the following: - (5 Marks)**

- h) Animal that spends most of their time in air. \_\_\_\_\_
- i) Animal that feed on both plants and flesh of other animals. \_\_\_\_\_
- j) A term commonly used for carnivores. \_\_\_\_\_
- k) Animals that eat grass, nut, grains, and leaves. \_\_\_\_\_
- l) Animals that live underground. \_\_\_\_\_

**Ques5. Select the correct option: - (2 Marks)**

- 4. Slugs, snails and snakes \_\_\_\_\_ on the ground
  - I. Crawl
  - II. Creep
  - III. Hop

5. Water Animal \_\_\_\_\_ to move in Water.

- I. Crawl
- II. Fly
- III. Swim

6. Some Animals like kangaroo and rabbit \_\_\_\_\_

- I. Creep
- II. Crawl
- III. Hop

7. Birds \_\_\_\_\_ from one place to another.

- I. Swim,
- II. Fly
- III. Hop

**Ques6. Answer the following Questions:- (6 Marks)**

a) What are Carnivores? Give two examples.

Ans.

---

---

---

---

b) What are uncommon animals? Give some examples.

Ans.

---

---

---

---

c) Give some examples of water and Land animals.

Ans.

---

---

---

---

**Ques 7. How are animals useful to us? Provide any 3 reasons. (3 Marks)**

---

---

---

---

---

---

---

---
