Rhyme Time

Trees

Trees need sunlight , trees need air ,
Trees need water , trees need care ,
Do not cut them , they will cry ,
Let them live, they don't want to die.
Trees are our best friends .
Take care of the trees , they will
take care of you .

पेड़

पेड़ लगाओ , पेड़ लगाओ ,
हरा भरा जीवन बनाओ ।
पेड़ हमें है छाया देता,शुद्ध हवा भी देता है,
मीठे - मीठे फल वह देता , हमसे कुछ नहीं लेता है ,
कागज ,कपड़ा,रबर है देता ,सुंदर -सुंदर फूल खलाता।हम
भी पेड़ लगाएंगे ,संसार को हरा भरा बनाएंगे ।

Welcome to the green world

Q1. What do we get from plants ?

1.Character Comes Alive :(This activity will be held on Jan.19, 2019. In this activity, children can become any cartoon character, doctor, teacher etc and speak at least five to seven sentences about that. The child must be dressed as the character he/she is to speak about.

2.Declamation on the topic 'Plants – Our Friends' It will be held on Jan.25 , 2019. Hence you are requested to make your ward learn the following lines:

Dear Teacher and Friends

I am

I study in class U.K.G.

I am here to speak on the topic' **Plants – Our Friends** '

- Plants are our green friends .
- They give us fruits ,vegetables , flowers , pulses, oil etc .
- They give us life .
- They give us oxygen and air .
- We should not cut them .
- We should water them .
- We should take care of them .

Thank You!

Have A Nice Day!

Activity - 1 Experiential Learning :

Please buy your child a small pot. Fill it with soil and help your ward sow a seed. Tell your child to keep the pot in the sun after sowing the seed . Let the child water it on alternate days .Help your child observe the process of growing. As the seed grows, send the pot to school by pasting a slip on the pot with your ward's name written on it.

Note : We would like you to click photographs while your ward does the process of sowing a seed .Please send the pot with a sapling grown to school on Feb.11,2019.

Activity – 2 National Flag Drawing and Colouring Activity : The students will be told about our National Flag . The child will draw and colour the National Flag .

Activity – 3 Project Work : (Classroom Activities)

First ,the children will be shown original parts of the plant in the class and afterwards the children will paste all parts of the plant on an A4 sheet. This activity will be held on Jan.28,2019.Kindly send original roots,some seeds,stem of any sapling ,leaves,bud and flower on that day in a small box to do the project work in class.

Lotus flower will be shown to the students along with some other seasonal flowers . All students are to bring three seasonal flowers from home for recognition purpose on Jan. 30,2019.

Activity – 4 Slogan Reciting

On Feb.2,2019 , there will be a 'Slogan Reciting' competition. The child who recites maximum fluently will be awarded.

Please help your ward learn the slogans given below :

- (i) Plant Ever ,Cut Never
- (ii) Save Trees, Save Life
- (iii) Greenery is life, Grow Green
- (iv) Plant a tree ,To get fresh air free
- (v) Don't make trees rare , Keep them with care
- (vi) Trees on , Global Warming gone !

Life Skills : SAVE AND PLANT MORE AND MORE TREES

- The effigies of Ravana and his brothers are burnt.
- This festival teaches us not to do bad acts.
- "Bad Acts Have a Bad End".

Thank You!

Have A Nice Day!

Your cooperation is solicited.

Principal

Dear Parents,

There will be a 'Declamation' on the topic 'Dussehra' on Oct. 20, 2018. Hence you are requested to make your ward learn the following lines to enable him/her to speak fluently in the class. This will help your ward overcome shyness and stage fear.

Dear Teacher and Friends

I am

I study in class U.K.G.

I am here to speak on the topic 'Dussehra'

- Dussehra is an important Hindu festival.
- Lord Rama killed Ravana on this day.
- Ravana did a bad deed by kidnapping Ma Sita.
- A fair is held in each town.
- The effigies of Ravana and his brothers are burnt.
- This festival teaches us not to do bad acts.
- "Bad Acts Have a Bad End".

Thank You!

Have A Nice Day!

Your cooperation is solicited.

Principal
